A smooth, masculine, woody accord with sparkling top notes of kalamansi, lemon, tagetes and red apple resting upon rich woody notes of cedar and sandalwood, softened by a seductive dark amber and a soothing sensual musk and patchouli base.

Starts with a fruity touch of sweet orange, rum and peach. The heart is floral with rose and lily and rests on an Oriental background with vanilla, sugar, cedarwood, sandalwood and musk.

A rich, intoxicating accord of teak, sandalwood, atlas cedar and patchouli smoothed by finest tonka beans with hints of tobacco, amber and warm spices.

A woody, spicy accord, opening with grapefruit, blood orange, mandarin, lemon, lime, bergamot and mint, combined with spicy nutmeg, cardamom, cinnamon and clove with green leaf, galbanum green violet and fruity hints of apple, cassis and plum. All resting on a heart of lily, rose, gardenia, freesia, jasmine, violet and orange blossom with base notes of cedarwood, sandalwood, amber, tonka, sweet vanilla and musks.

A fresh, invigorating citrus cologne with bergamot, lemon, mandarin, grapefruit, lime, neroli and lavender leading to a heart of rose, jasmine and orange flower warmed by hints of clove resting on a base of patchouli, cedar, vetivert, tonka, vanilla and dry citrus.

A soothing herbal accord in which delicate citrus and marine notes open into a heart of refreshing white tea and subtle fruity jasmine, with supporting base notes of precious woods.
