WHAT IT IS FOR

Degreasing tablet for deep fryers, metal parts and all metal surfaces with hot washing.

RECOMMENDED DOSAGE

3 tablets for small fryers (15 l).

4 tablets for large fryers (25 l).

USE

Drain all the oil from the fryer and add water to the maximum level. Turn on the fryer. Boil the water. Place a tablet in the basket and immerse the basket in the water. Leave to simmer for 20 minutes, then allow to cool. For other utensils, place the tablet in very hot water, then immerse them in water. Leave for 20 minutes. Rinse with clean water and let dry.
